BENZOYL PEROXIDE WASH KIT

- Benzoyl Peroxide (BP) 5% Wash should be used twice daily on affected areas.
- Wet the skin and liberally apply the BP wash by massaging it gently into the skin for 10-20 seconds, working it into a full lather.
- Rinse thoroughly and pat dry with a towel.
- Apply a non-comedogenic moisturizer. *Please be aware benzoyl peroxide may bleach hair and/or fabrics.*
- Note: some patients experience drying, if this occurs, rinse the wash off sooner or reduce use.
